

## Stewart Middle Magnet School

The Waterman-Twining Chapter has supported Stewart for many years. Stewart Middle School has the John Glenn Top Gun Academy, an Honor Society for students with an interest in Aerospace and Aeronautics. Our Chapter also provides financial support which allows students to take an overnight visit to Kennedy Space Center each year.

Bill Yucuis, Waterman-Twining Chapter President, presenting the Chapter STEM support check to Brainard Harris, the head of the Stewart STEM Booster Club. At the right is Stewart Principal, Baretta Wilson.

This past year, Stewart Middle School was the only Middle School in the country to receive a \$52,000 grant from the Center for the Advancement of Science and Space. It's just another example of the excellence at Stewart Middle School.

Greg Moyle, Chapter VP for Education, attended the presentation of the \$52,000 grant check. Next to Greg is Brainard Harris, the head of the Stewart STEM Booster Club, Baretta Wilson, the Stewart Principal, and Shake Washington, Hillsborough County School Board member.
