

Mike Lezaun is the AFA Chapter 316 Secretary.

Mike graduated from Florida International University in Fall 1994 with a Bachelors in Electrical Engineering and was commissioned as a 2nd Lt in the USAF in ROTC Det 155, University of Miami. Mike spent 5 years in Minot AFB, ND in various positions with the 91st Missile Wing working with the Minuteman III weapon system. He then spent a year and a half in Thule AB supporting the Missile Warning mission, followed by an Spacelift assignment at Cape Canaveral AFS with the 45 SW supporting Titan IV launches. He was selected for the Spacelift Exchange and Crossover program which sent him to Littleton, Colorado for an Education with Industry tour at the Lockheed Martin Space Systems Corporation, Atlas Program, followed by a tour in Space and Missiles Center, Los Angeles Air Force Base as an Acquisition Program Manager for the Space-Based Infrared System program office for 3 years. He was assigned to 13th AF Detachment 1 in Yokota AB Japan to work with the Japanese Self Defense Force and joint US Forces on Ballistic Missile Defense systems and Integrated Air and Missile Defense strategies. From there he was deployed to US Forces Iraq for Operation New Dawn under the Iraq Security Assistance Mission. His final assignment was in USSOCOM J32, Global Force Management where he worked on the Special Operations Force Generation and governing documents.

Mike retired as a Lieutenant Colonel in April 2015.
